

Trailing Pansy

Trays of 84

Weeks 6-20 and 26-38

From the breeders of Surfinia® comes a new true trailing series of viola's with small flowers. The vigour of Friolina® is unbelievable with sheer flower power that continues through all seasons. Cascadiz has masses of smaller flowers tumbling over the dense foliage producing a fantastic display in such a small amount of time. Trails can reach over 1 metre in a matter of months.
